Introduction

This document outlines the terms and conditions associated with the Solar Analytics “Two for One” subscription offer.

This offer is subject to the terms and conditions described herein and supersedes any previous related offers.

The Offer

In specific circumstances, Solar Analytics may agree to a special subscription offer whereby we will discount our subscription cost by up to 50%.

The following terms and conditions apply to our 2-for-1 offers:

1. Offer is applicable to software subscriptions only (excludes hardware or installation costs).
2. Offer is applicable to standard monthly, annual, five year and Lifetime Solar Analytics Residential and Commercial Subscriptions and Billing Application Subscriptions.
3. Offer is applicable only when a minimum of two (2) Solar Analytics hardware devices are purchased and installed at the same, single “site”.
4. A site is defined is either a) a single building with a single property owner or b) a single property with multiple buildings with a single property owner
5. Offer is applicable up to a maximum of ten (10) devices installed on a single site.
6. Offer is applicable to all Solar Analytics product bundles listed on our price list at the time of writing.
7. 2-for-1 subscription pricing remains valid on an ongoing basis provided the hardware remains at the same site and subscription is maintained at all times.
8. Solar Analytics reserves the absolute discretionary right to reject applications for 2-for-1 subscriptions at our sole discretion.
9. Offer is only available until December 31st 2019 unless otherwise advised in writing.
10. Offer is not applicable in combination with any other specials or custom negotiated offers that may apply from time to time.
